Ramp from University Boulevard to Westbound Hart Expressway to Close Nightly Oct. 21 and 22

JACKSONVILLE, Fla. – As part of the project to resurface University Boulevard (State Road 109) from Cruz Road to Wateredge Lane, overnight closures of the ramp from University Boulevard to westbound Hart Expressway (State Road 228) are planned Monday, Oct. 21 and Tuesday, Oct. 22, weather and unforeseen circumstances permitting.

The ramp will close nightly at 8 p.m. and reopen by 6 a.m. the following morning to allow for ADA ramp installation. During the closures, drivers will take northbound University Boulevard to westbound Atlantic Boulevard (State Road 10) to access the Hart Expressway. The detour will be clearly marked with additional signage.

Watson Civil Construction, Inc. was awarded the contract to complete this \$6.85 million project by spring 2025, weather and unforeseen circumstances permitting.
