Rehabilitation work at Fishweir Creek Bridge began today

Jacksonville – The Florida Department of Transportation (FDOT) began rehabilitation work today on the Fishweir Creek Bridge on State Road 211/St. Johns Avenue and Herschel Street.

The rehabilitation work includes concrete repairs and corrosion protection improvements underneath the bridge.

To minimize traffic impacts to motorists and Fishweir Elementary School, lane closures will not be allowed Monday through Friday from 6 a.m. to 9 a.m. and 3 p.m. to 7 p.m. Lane closures and construction may occur anytime Saturday and Sunday.

Seig & Ambachtsheer, Inc. was selected to complete the \$1.1 million improvements in 250 contract days.

For more information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
