Resurfacing Project on Philips Highway (U.S. 1) to Begin Jan. 16

JACKSONVILLE, Fla. – Construction is expected to begin Monday, Jan. 16 on a resurfacing project on Philips Highway (U.S. 1) between University Boulevard (State Road 109) and Baymeadows Road (State Road 152).

Watson Civil Construction was selected to complete this \$19.9 million project, which includes milling and resurfacing, base work, shoulder treatment, drainage improvements, curb and gutter, traffic signals, lighting, highway signing, utility work and other incidental construction. Completion is estimated in summer 2024, weather and unforeseen circumstances permitting.

Work will take place primarily during daytime hours Monday through Friday, with occasional night work based on lane closure restrictions. During construction, no lane closures will be allowed from 6:30 a.m. to 8:30 p.m. within 600 feet of a signalized intersection.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com). Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
