Resurfacing Improvements to Begin on Kings Avenue/Prudential Drive (State Road 5 and San Marco Boulevard/Prudential Drive (State Road 13))

Jacksonville, Florida – Construction is scheduled to begin on Kings Avenue/Prudential Drive (State Road 5) from Atlantic Boulevard to the Main Street Bridge and on San Marco Boulevard/Prudential Drive (State Road 13) from the Main Street Bridge to the Acosta Bridge Monday, June 18.

The construction project includes removing and replacing the top layers of asphalt, shoulder treatment, base work, curb and gutter improvements, traffic signal and lighting upgrades, utility construction, highway signing, sidewalk and bicycle path repairs, pier protection and other incidental construction. Impacted roadways and bridge ramps are highlighted in the included map.

Traffic will be maintained in accordance with FDOT design standards throughout the project. Drivers can expect periodic single lane closures on roadways and bridge ramps during off-peak driving hours.

Lane closures are allowed from 9 a.m. to 3 p.m. and from 7:30 p.m. to 6 a.m. Monday through Friday. One lane in each direction will remain open when closures occur. Ramp lane closures are allowed from 7:30 p.m. to 5:30 a.m. Monday through Sunday. Sidewalk closures may occur during the project; however, pedestrian detours will be provided.

Preferred Materials, Inc. of Jacksonville will complete this \$3.8 million improvement project in spring 2019, weather and unforeseen circumstances permitting.

The Florida Department of Transportation urges motorists to always follow the speed limit and stay within the limits of orange cones and barrels while traveling through construction zones. For up-to-date information regarding construction projects and lane closures, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
