San Pablo Road at Butler Boulevard to Close Overnight July 12-14 for Paving Activities

JACKSONVILLE, Fla. – Multiple overnight detours are planned at the J. Turner Butler Boulevard (State Road 202) and San Pablo Road interchange next week, weather and unforeseen circumstances permitting. The closures are necessary to allow crews to complete paving and installation of pavement markings through the interchange.

From 9 p.m. to 5 a.m. Tuesday, July 12, Wednesday, July 13 and Thursday, July 14, intermittent road and ramp closures will be in place around the interchange. Drivers should follow posted detour signage, slow down and use caution when traveling through the construction zone.

FDOT selected Watson Civil Construction, Inc. to complete this \$12 million project in summer 2022, weather and unforeseen circumstances permitting.

FDOT asks motorists to always obey the posted speed limit, do not drive distracted, never drive impaired and always buckle up! Let's get everyone home. Learn more about Florida's statewide initiative to reduce transportation-related crashes by visiting TargetZeroFL.com.

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com.
