## **Open House Scheduled for San Marco Avenue, May Street and West San Carlos Avenue Intersection and May Street Drainage Projects**

**St. Augustine** – The Florida Department of Transportation (FDOT) is hosting a construction open house for the San Marco Avenue (SR A1A/SR 5A), May Street (SR A1A) and West San Carlos Avenue intersection improvement project and the May Street drainage project that will be starting in September.

The open house is Wednesday, August 16, from 4:30-6:30 p.m. in the Alcazar Room of City Hall, City of St. Augustine, 75 King Street.

Those interested can drop by anytime between 4:30 and 6:30 p.m. to learn more about the projects including timeframe, construction activities, traffic impacts and other details. Project staff will be available at the meeting to answer questions. This is an informal open house and no presentation is scheduled.

Through collaboration and consensus with the City of St. Augustine and the community, the intersection of San Marco Avenue, West San Carlos Avenue and May Street will be reconfigured and widened to allow for better traffic flow in the area.

Construction of the new intersection configuration will begin in mid-September and is scheduled to be open for operation in summer 2018. Upon the opening of the intersection, replacement of a storm water pipe on the north side of May Street from San Marco Avenue to east of Magnolia Avenue will begin and is expected to be complete in summer 2019.

Petticoat-Schmitt Civil Contractors Inc. of Jacksonville is the contractor for the \$9.2 million project.

Public participation is solicited without regard to race, color, religion, sex, age, national origin, disability or family status as FDOT complies with Title VI of the Civil Rights Act of 1964. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should call Debbie Delgado at 904-831-FDOT (3368) or e-mail [debbie.delgado@dot.state.fl.us](mailto:debbie.delgado@dot.state.fl.us) seven days prior to the meeting.
