Southbound Kings Road detour for concrete work begins today

Jacksonville – As part of the Kings Road (S.R.15) resurfacing improvements from Cleveland Street to U.S. 1/Martin Luther King Jr. Parkway (MLK), a detour will be in place for southbound Kings Road at Martin Luther King Jr. Parkway to complete concrete paving starting Wednesday, March 28 at 5 p.m. for 30 days, depending on weather and unforeseen circumstances.

Motorists traveling south on Kings Road will detour to U.S. 1 then travel south on Division Street to travel back southbound Kings Road.

Hubbard Construction Company began the \$5.7 million improvements in late August. The project is scheduled for completion in late spring of 2018, weather and schedule permitting.

For more information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
