Southwest Riverside Ave (SR 211) Closed Between Barrs and Goodwin Street until Wednesday Morning

JACKSONVILLE, Fla. – The southwest-bound lane of Riverside Avenue (SR 211) between Barrs Street and Goodwin Street will remain closed until the morning of Wednesday, March 5, for road work. Motorists heading southwest on SR 211 will continue to be detoured to Oak Street during the closure.

A water main ruptured during milling operations on Riverside Avenue on Saturday, March 1. JEA crews completed the repair to the water main during the early morning hours of Saturday; however, due to the base material being saturated, construction crews are unable to open the roadway until paving operations can be completed.

Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
