State Road 100 through Starke to be Detoured Dec. 18, 21 and 22

STARKE, Fla. – As part of the Florida Department of Transportation's Starke Railroad Overpass Interchange Improvements project, State Road 100 between U.S. 301 and Water Street will be detoured due to beam placement work. Closures and detours will take place the following days and times, weather and unforeseen circumstances permitting:

- 8 p.m. Sunday, Dec. 18 to 6 a.m. Monday, Dec. 19
- 8 p.m. Tuesday, Dec. 21 to 6 a.m. Wednesday, Dec. 22
- 8 p.m. Wednesday, Dec. 22 to 6 a.m. Thursday, Dec. 23

All westbound State Road 100 through traffic will turn left onto SE 144th Street, continue onto SE 144th Avenue (Hazen Street), turn right onto U.S. 301 and continue to westbound State Road 100. Local traffic will be permitted between SE 144th Street and Water Street.

All eastbound State Road 100 through traffic will turn right onto southbound U.S. 301, then turn left onto SE 144th Avenue (Hazen Street) and continue onto SE 144th Street to eastbound State Road 100.

FDOT hired J.B. Coxwell Contracting to complete this \$23.6 million project in summer 2023, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
