## State Road 230 through Starke to be Detoured Jan. 20 through 23

**STARKE, Fla.** – As part of the Florida Department of Transportation's Starke Railroad Overpass Interchange Improvements project, Call Street (State Road 230) between U.S. 301 and Water Street will be closed January 20-23. Additionally, Walnut Street and Thompson Street will be closed between Call Street and SR 100. Closures will begin at 6:30 p.m. Friday, Jan. 20 and run through 6 a.m. Monday, Jan. 23. During resurfacing operations, on-street parking along Call, Thompson and Walnut Streets will not be available. An updated notice of closures and detours related to this work can be found [here](#).

Traffic will be detoured during the closure as follows:

- Westbound Call Street (SR 230) traffic will turn left onto Water Street, right onto State Road 100, right onto U.S. 301 and proceed to Call Street.
- Eastbound Call Street (SR 230) traffic will turn right onto southbound U.S. 301, left onto SR 100, left onto Water Street and right onto Call Street.
- A large vehicle detour will remain in place for eastbound State Road 100 from U.S. 301 to Water Street. Eastbound State Road 100 large vehicle traffic will turn right onto southbound U.S. 301, then turn left onto SE 144<sup>th</sup> Avenue (Hazen Street) and continue onto SE 144<sup>th</sup> Street to State Road 100.

FDOT hired J.B. Coxwell Contracting to complete this \$23.6 million project in summer 2023, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](#) on Twitter, at [MyFDOTNEFL](#) on Facebook or by visiting [nflroads.com](http://nflroads.com).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
