State Street Closure and Detour scheduled for Saturday

Jacksonville – State Street between Laura Street and Pearl Street will be closed Saturday, July 15, from 6 a.m. to 8 p.m. The two right lanes of (westbound) State Street traffic will detour north on Laura Street, west on First Street and south on Broad Street. The two left lanes of State Street will detour south on Laura Street, west on Beaver Street and north on Broad Street. See map below for detour routes.

Traffic control officers will open the left inside lane at Laura Street to allow Jacksonville Transportation Authority (JTA) buses to enter and exit the Rosa Parks Transit Station.

The closure is necessary to allow contractors to connect the new JEA water mains at the Pearl Street and State Street intersection, as part of the Florida Department of Transportation's (FDOT) State Street, Union Street and Mathews Expressway resurfacing and improvement project. The \$13 million project is expected to be complete this fall, weather and schedule permitting.

For more information regarding other construction projects, please visit www.nflroads.com or contact FDOT at 904-831-FDOT.

The Florida Department of Transportation strives for safe construction zones. Travelers need to be aware of heavy equipment and stay within the limits of orange cones and barrels.
