## **State Street Closure and Detour Scheduled this Weekend**

**Jacksonville** – State Street between Main and Pearl streets will be closed Saturday and Sunday (June 24-25) from 5:30 a.m. to 8 p.m. each day. Westbound State Street traffic will detour south on Main Street, west on Beaver Street and north on Pearl Street. See map below for detour route.

Traffic control officers will open the left inside lane at Laura Street to allow Jacksonville Transportation Authority (JTA) buses to enter and exit the Rosa Parks Transit Station.

The closure is necessary to allow contractors to connect the new JEA water mains at the intersections and along the roadway, as part of the Florida Department of Transportation's (FDOT) State Street, Union Street and Mathews Expressway resurfacing and improvement project. The \$13 million project is expected to be complete this fall, weather and schedule permitting.

For more information regarding other construction projects, please visit [www.nflroads.com](http://www.nflroads.com) or contact FDOT personnel at 904-831-FDOT.

The Florida Department of Transportation strives for safe construction zones. Travelers need to be aware of heavy equipment and stay within the limits of orange cones and barrels.
