

****Traffic Advisory****

JACKSONVILLE, Fla. – A drill operation at the intersection of Riverside Avenue and Margaret Street for construction of a traffic signal has been postponed and will now occur on Monday, April 14 from 9 a.m. to 9 p.m. This work will be performed using a lane closure and flagging operation. Motorists and pedestrians are advised to use caution in the vicinity, as the drill shaft operation may produce noticeable noise.

Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
