****Traffic Advisory****

JACKSONVILLE, Fla. – Due to a damaged JEA water main, the inside westbound lane of Beaver Street (State Road 10) is currently closed from east of Melson Avenue to Parkview Drive. The lane closure is expected to continue into the evening as JEA crews work to repair the water main. Motorists should expect congestion in the area and use alternate routes if possible.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
