Traffic Shift on Northbound Blanding Boulevard Planned for May 31

MIDDLEBURG, Fla. – As part of the Blanding Boulevard (State Road 21) widening and reconstruction project between Allie Murray Road and Long Bay Road, the northbound lanes of Blanding Boulevard will be shifted overnight Tuesday, May 31. Drivers can expect lane closures beginning at 8:30 p.m. as crews remove barrier wall and shift the northbound lanes from their current location in the median to new asphalt on the outside of the roadway.

FDOT selected R.B. Baker Construction Company to complete this \$19.1 million project in summer 2022, weather and unforeseen circumstances permitting.

May is motorcycle and bicycle safety awareness month. Motorcyclists and bicyclists are vulnerable road users. Look twice before pulling into an intersection, changing lanes, or making a turn. Be a cautious driver and let's get everyone home safely!

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com.
