Traffic signal upgrades and safety improvements coming soon on Atlantic Boulevard at Empire Point May 18

Jacksonville – The Florida Department of Transportation is scheduled to begin traffic and pedestrian signal upgrades on Atlantic Boulevard (State Road 10) at Empire Point Friday, May 18, weather and unforeseen circumstances permitting.

The safety improvements will include upgrading the traffic and pedestrian signals on the northwest corner of Atlantic Boulevard and Empire Point, widening westbound Atlantic Boulevard, curb and sidewalk work and the installation of two new crosswalks at the intersection.

James D. Hinson Electrical Contracting Inc., was selected to complete the \$567,00 safety improvements by late fall 2018, depending on weather and other unforeseen circumstances.

For more information regarding construction projects, please visit www.nflroads.com or contact FDOT personnel at 904-831-FDOT.
