Drivers can also set up real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit www.FL511.com or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A (S.R. 200) improvement projects. Below are several planned lane closures, weather permitting, planned for January 10 through January 16. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

One current westbound lane of traffic will be closed, weather permitting, while traffic is shifted onto the new westbound lanes. Drivers are encouraged to plan accordingly.
