### **Travel Advisory: State Road 200 Lane Closure Schedule**

**Yulee, Fla.** – This advisory is to inform community leaders and interested parties about upcoming, scheduled lane closures and construction activity on State Road 200/A1A.

The Florida Department of Transportation (FDOT) has permitted multiple lane closures as part of the State Road 200/A1A (SR 200) improvement projects. Below are several planned lane closures, weather permitting, from April 27 through May 3, certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

#### Daytime lane closures:

- Northbound and southbound inside lane closures on Chester Road at SR 200 Saturday, April 27 from 7 a.m. to 5 p.m.

#### Nighttime lane closures:

- Northbound and southbound inside lane closures on Chester Road at SR 200 on Tuesday, April 30 and Wednesday, May 1, from 9 p.m. to 6 a.m.
- Northbound and southbound inside lane closures on Felmor Road at SR 200 on Monday, April 29 from 9 p.m. to 6 a.m.

#### Future impacts:

- Northbound Interstate 95 lane closures are planned near exit 373 nightly, May 5 through May 9 from 7 p.m. to 5:30 a.m. and again May 12 through 16 from 7 p.m. to 5:30 a.m. Note: this work may require a multi-lane closure on Interstate 95.

Throughout construction, drivers are encouraged to plan ahead, use caution and follow the speed limit. Construction is a temporary inconvenience toward a more permanent transportation solution.

For additional information about this project, contact Hampton Ray at: [Hampton.Ray@dot.state.fl.us](mailto:Hampton.Ray@dot.state.fl.us) or call: 904-831-FDOT (3368).
