## Travel Advisory: State Road 200 Lane Closure Schedule

**Yulee, Fla.** – This advisory is to inform community leaders and interested parties about upcoming scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit [www.NFLRoads.com/TrafficReport](http://www.NFLRoads.com/TrafficReport).

Drivers can also set up real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit [www.FL511.com](http://www.FL511.com) or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A improvement projects. Below are several lane closures planned for July 2 through July 10, weather permitting. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

**Noteable:** This summer, construction crews are preparing to shift traffic onto the first phase of the new Diverging Diamond Interchange (DDI) at I-95 and State Road 200. A first for northeast Florida, this DDI will allow for quicker and safer movements through the I-95 at State Road 200 intersection. Drivers can learn more about this innovative and efficient interchange design at [www.NFLRoads.com/DDI](http://www.NFLRoads.com/DDI).

### Daytime lane closures:

**Interstate 95:** None at this time.

**State Road 200:** None at this time.

### Nighttime lane closures:
