Travel Advisory: State Road 200 Lane Closure Schedule

Yulee, Fla. – The Florida Department of Transportation (FDOT) has permitted multiple lane closures as part of the State Road 200/A1A (SR 200) improvement projects. There are currently no planned lane closures for the upcoming week from April 20 through April 26, certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

Notable event: On Friday, April 19, crews completed work at the intersection of William Burgess Boulevard/Wildlight Avenue and State Road 200/A1A. The detour was necessary for crews to pour concrete in the intersection median and allow the concrete to strengthen before reopening to traffic.

Throughout construction, drivers are encouraged to plan ahead, use caution and follow the speed limit. Construction is a temporary inconvenience toward a more permanent transportation solution.
