Travel Advisory: State Road 200 Lane Closure Schedule

Yulee, Fla. – This advisory is to inform community leaders and interested parties about upcoming, scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit: www.NFLRoads.com/TrafficReport.

Drivers can also set up real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit www.FL511.com or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A (S.R. 200) improvement projects. Below are several planned lane closures, weather permitting, planned for June 26 through July 3. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

Noteable: This summer, construction crews are preparing to shift traffic onto the first phase of the new Diverging Diamond Interchange (DDI) at I-95 and State Road 200. A first for northeast Florida, this DDI will allow for more efficient, safer movements through the I-95 at State Road 200 intersection. Drivers can learn more about this innovative interchange design here: www.NFLRoads.com/DDI.

Daytime lane closures:

Interstate 95: None at this time.

State Road 200: None at this time.

Barnwell Road:

- The northbound right lane of Barnwell Road at State Road 200 is expected to be closed Wednesday, July 1 from 7 a.m. to 5 p.m.

Nighttime lane closures:

Interstate 95: None at this time.

State Road 200:

- The eastbound right lane of State Road 200 from Meadowfield Bluffs Road to License Road is expected to be closed Wednesday, June 30 from 9 p.m. to 6 a.m.
