Travel Advisory: State Road 200 Lane Closure Schedule

JACKSONVILLE, Fla. – This advisory is to inform community leaders and interested parties about upcoming scheduled lane closures, traffic shifts and other construction activity. The Florida Department of Transportation (FDOT) has permitted as part of the State Road 200/A1A improvement projects.

Below are the planned closures for January 15 to January 22, weather permitting. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit www.NFLRoads.com/TrafficReport.

Daytime lane closures: None at this time.

Nighttime lane closures:

State Road 200:

- The eastbound right lane of State Road 200 from Chester Road to Flora Parke Boulevard is expected to be closed Sunday, January 17 and Monday, January 18 from 9 p.m. to 5 a.m.
- The eastbound right lane of State Road 200 from Barnwell Road to O'Neill Scott Road is expected to be closed Tuesday, January 19 from 9 p.m. to 5 a.m.
- The westbound right lane of State Road 200 from O'Neill Scott Road to Barnwell Road is expected to be closed Wednesday, January 20 from 9 p.m. to 5 a.m.
- The westbound right lane of State Road 200 from Flora Parke Boulevard to Chester Road is expected to be closed Thursday, January 21 and Friday, January 22 from 9 p.m. to 5 a.m.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
