UPDATE **Detours Planned for this Weekend at the I-10/I-95 Operational Improvements Project**

JACKSONVILLE, Fla. – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, detours are planned this weekend for I-95 north and I-95 south approaching downtown, weather and unforeseen circumstances permitting.

I-95 South: Friday, August 6, and Saturday August 7 from 8:30 p.m. to 8:30 a.m., drivers on I-95 south will be detoured at exit 352D towards I-10, continue on I-10 west and take the Luna Street exit, turn left on Luna Street, left on the I-10 east on-ramp and continue on I-10 to rejoin I-95 south. (See map below)

I-95 North to I-10 West: Friday, August 6, from 8:30 p.m. to 8:30 a.m., drivers on I-95 north who wish to take I-10 west will be detoured to the Park Street exit. At the bottom of the ramp, drivers will turn right on Park Street, left on Forest Street, left on Edison Avenue, left on Stockton Street and left on Irene Street to access the I-10 west ramp. (See map below)

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
