UPDATE: Overnight Detour of Sandridge Road Extended to August 6

CLAY COUNTY, Fla. – Due to unforeseen delays in delivery of materials, the overnight closure of a segment of Sandridge Road at the future First Coast Expressway overpass will be extended to Friday night, August 6, weather and unforeseen circumstances permitting. The roadway will close tonight at 9 p.m. and reopen by 5 a.m. Saturday, allowing for placement of bridge beams for the First Coast Expressway. Access will remain available for residents and local traffic.

During the closure, motorists will be detoured via Henley Road and Russell Road as shown in the map below.

This 10.5-mile segment of the First Coast Expressway (State Road 23) is expected to be completed in spring 2025.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
