## Weekend Detour Planned for Roosevelt Boulevard

**Jacksonville, Fla.** – As part of the Florida Department of Transportation’s (FDOT) I-10/I-95 Interchange Improvements project, there will be a detour of northbound Roosevelt Boulevard (U.S. 17) at McDuff Avenue while crews perform construction activities.

**Detour:** From Friday, January 10 at 8 p.m. to Monday, January 13 at 6 a.m., motorists traveling north on Roosevelt Boulevard will be detoured north on McDuff Avenue to connect with eastbound I-10. (See map below). Southbound Roosevelt Boulevard will remain open.

FDOT hired Archer Western to complete this \$126 million project by late 2020, weather and unforeseen circumstances permitting.
