Updated: U.S. 301 at I-10 Detours Scheduled for Construction Work

Jacksonville, Fla. – Nightly detours for traffic on U.S. 301 at I-10 originally scheduled March 24 through March 29 from 9 p.m. to 5 a.m. have been extended through Tuesday, April 2, weather and unforeseen circumstances permitting. The closures are necessary to complete reconstruction work at the I-10 west overpass.

The northbound U.S. 301 off-ramp from I-10 west will remain open to traffic.

The southbound U.S. 301 off-ramp from I-10 west will be closed to traffic.
- I-10 west to U.S. 301 traffic will detour to exit I-10 at State Road 228 (Exit 336) to I-10 east to travel south on U.S. 301.

U.S. 301 northbound off-ramp from I-10 east will be closed to traffic.

- The I-10 east off-ramp traffic to U.S. 301 north will detour to exit I-10 at State Road 23 (Exit350B) and travel west on Beaver Street/U.S. 90.
- Northbound U.S. 301 traffic south of I-10 will detour to I-10 east to State Road 23 to west on Beaver Street.
- State Road 23 traffic wishing to travel north on U.S. 301 will detour to I-10 west and exit U.S. 301 northbound.

U.S. 301 south will be closed to traffic.

- The I-10 east off-ramp to southbound U.S. 301 will remain open to traffic.
- Southbound U.S. 301 traffic north of I-10 will detour to I-10 west, exit at State Road 228 and travel east on I-10 to southbound U.S. 301.
- State Road 23 traffic wishing to exit south on U.S. 301 will detour to I-10 west, exit at State Road 228 and travel east on I-10 to southbound U.S. 301.

Superior Construction Company began the $65 million I-10 and U.S. 301 interchange improvement project in late February and is estimated to complete the work in spring 2020.
