Weekend Detour Planned for Roosevelt Boulevard

Jacksonville, Fla. – As part of the Florida Department of Transportation’s (FDOT) I-10/I-95 Interchange Improvements project, there will be a detour of northbound Roosevelt Boulevard (U.S. 17) at McDuff Avenue while crews perform asphalt paving.

Detour: Saturday, February 29 from 7 a.m. until 6 p.m., motorists traveling north on Roosevelt Boulevard will be detoured north on McDuff Avenue to connect with eastbound I-10. (See map below). Southbound Roosevelt Boulevard will remain open.

FDOT hired Archer Western to complete this \$126 million project by early 2021, weather and unforeseen circumstances permitting.
