Westbound Hart Bridge to See Detour Saturday and Sunday

JACKSONVILLE, Fla. – The westbound lanes of Jacksonville’s Hart Bridge will close this Saturday, July 29 and Sunday, July 30 from 8:30 a.m. to 3:30 p.m., daily for routine bridge maintenance.

Motorists attempting to travel westbound on the Hart Bridge will be detoured to Atlantic Boulevard and use the Main Street Bridge as an alternate route. Law enforcement will be staged on the approach to the Hart Bridge and signage will direct motorists along the detour route.

The Hart Bridge was opened in 1967 to relieve traffic on the Main Street and Mathews bridges. The bridge is 3,844 feet long and spans 140 feet above the St. Johns River.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting www.nflroads.com.

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
