**Governor Charley E. Johns
Convention Center
1610 N. Temple Avenue
Starke, FL 32091**

Online: nflroads.com/VPH

By phone: **(631) 992-3221**,
access code **213-631-455**

ABOUT THE PROJECT

The Florida Department of Transportation (FDOT) is hosting an open house to provide citizens with an update on the Starke Railroad Overpass Interchange Improvements project. Citizens may drop by to ask questions about the project and view renderings.

Currently, the City of Starke is divided by the CSX railroad that runs parallel to U.S. 301. With 29 trains traveling through the city each day, emergency vehicles and other traffic experience frequent delays, and train traffic is expected to increase in the future. Soon, with the completion of this project, congestion will be eased and emergency response times will be improved.

J.B. Coxwell Contracting began work on this \$23.6 million project project in summer 2020 and is estimated to complete it in summer 2023, weather and unforeseen circumstances permitting.

**Questions? Visit NFLRoads.com or contact Nathan Pick at
