## ABOUT THE PROJECT

The Florida Department of Transportation is considering changes to Beach Boulevard that include:

- Construction of a signal-controlled Median U-Turn Intersection (MUT) on eastbound Beach Boulevard to northbound Southside Boulevard
- Construction of a signal-controlled Median U-Turn Intersection (MUT) on westbound Beach Boulevard to southbound Southside Boulevard
- Construction of a stop-controlled median directional crossover on Beach Boulevard to Newell Boulevard
- Construction of a signal-controlled median directional crossover on Beach Boulevard to W. Eve Drive
- Widening Beach Boulevard to accommodate the MUTs and directional crossovers
- Construction of traffic signals, pedestrian and bicycle facilities and driveway modifications
- Installation of overhead and post-mounted signs and pavement markings
- Milling and resurfacing within the project limits

*Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status.*
