Public Information Meeting

County Road 361B over Rocky Creek Bridge and the two County Road 361 Bridges over Spring Warrior Creek

Taylor County, Florida

Thursday, April 18, 2019

Doors Open: 4:00 PM—6:00 PM
Review & discuss project displays
with Department Staff
(No Presentation)

Location:

FDOT Maintenance Office
657 Plantation Road
Perry, FL 32348

WELCOME

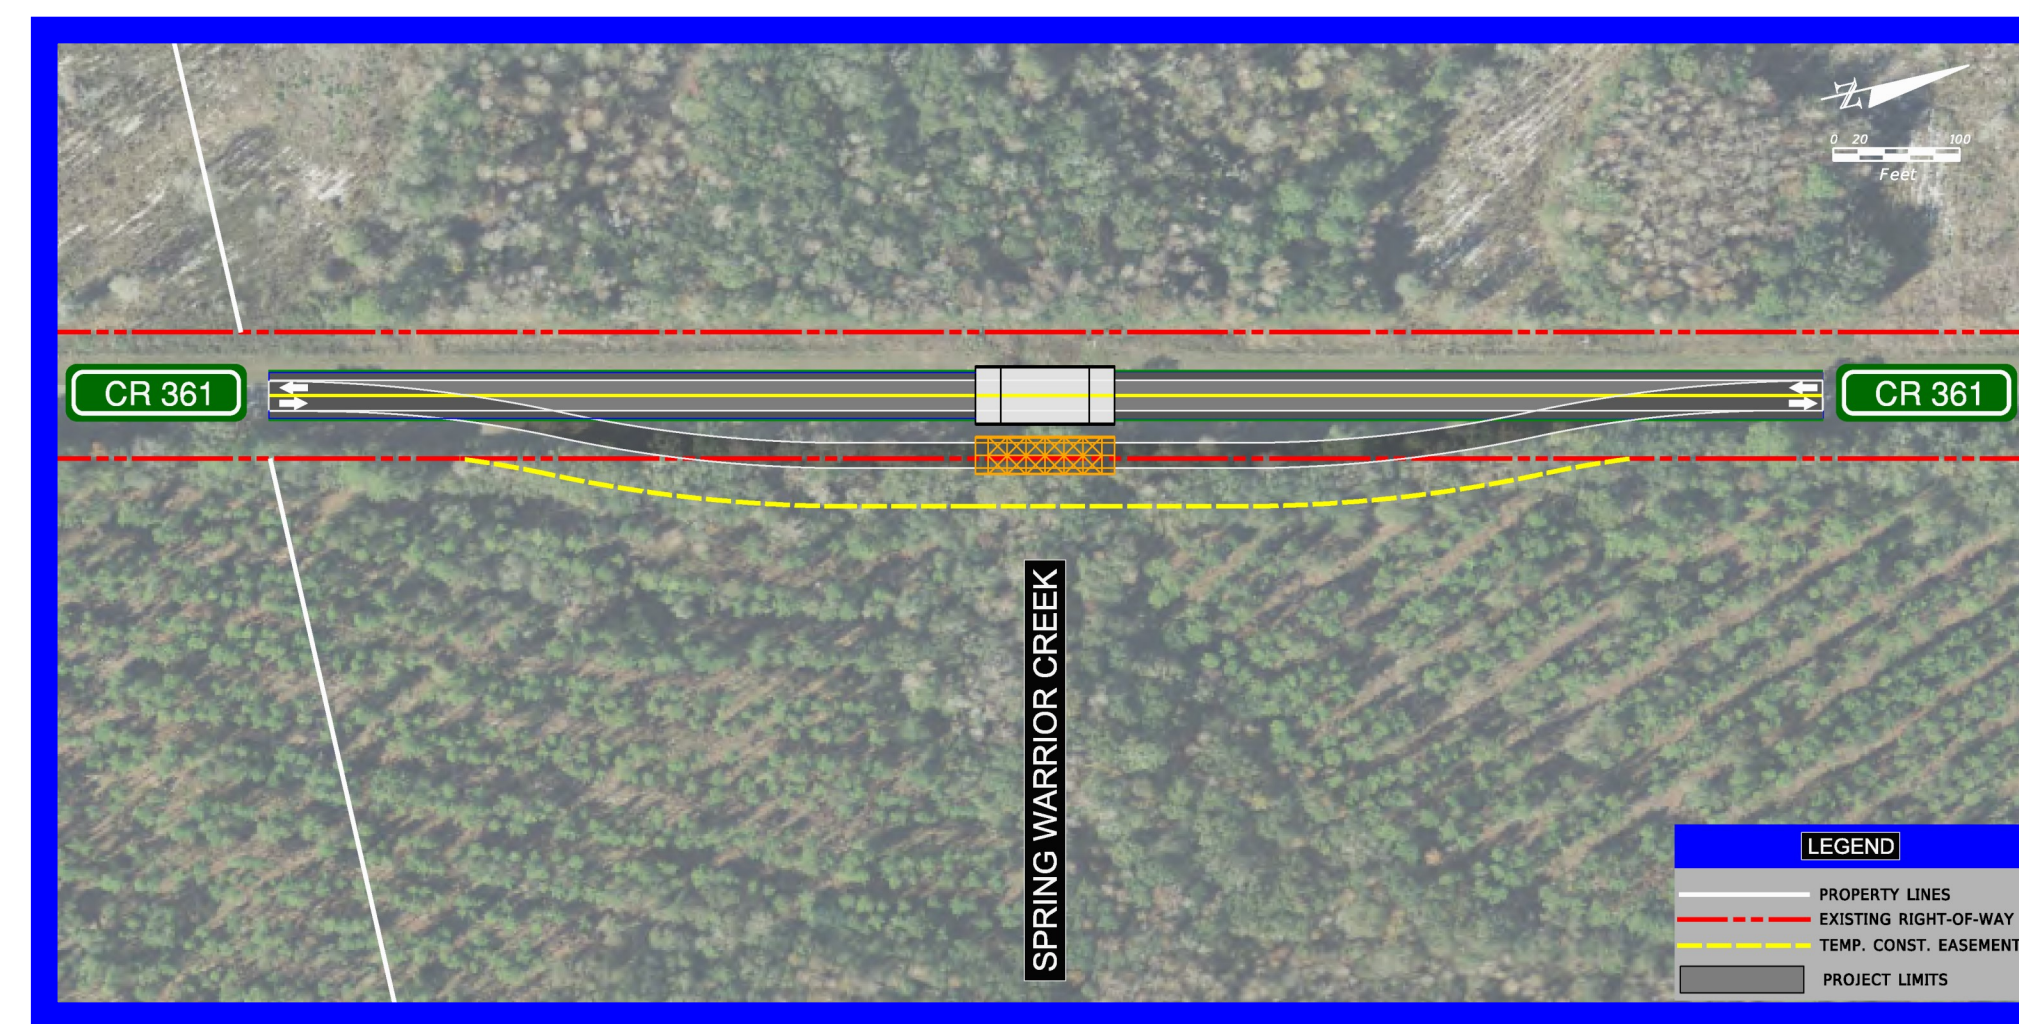

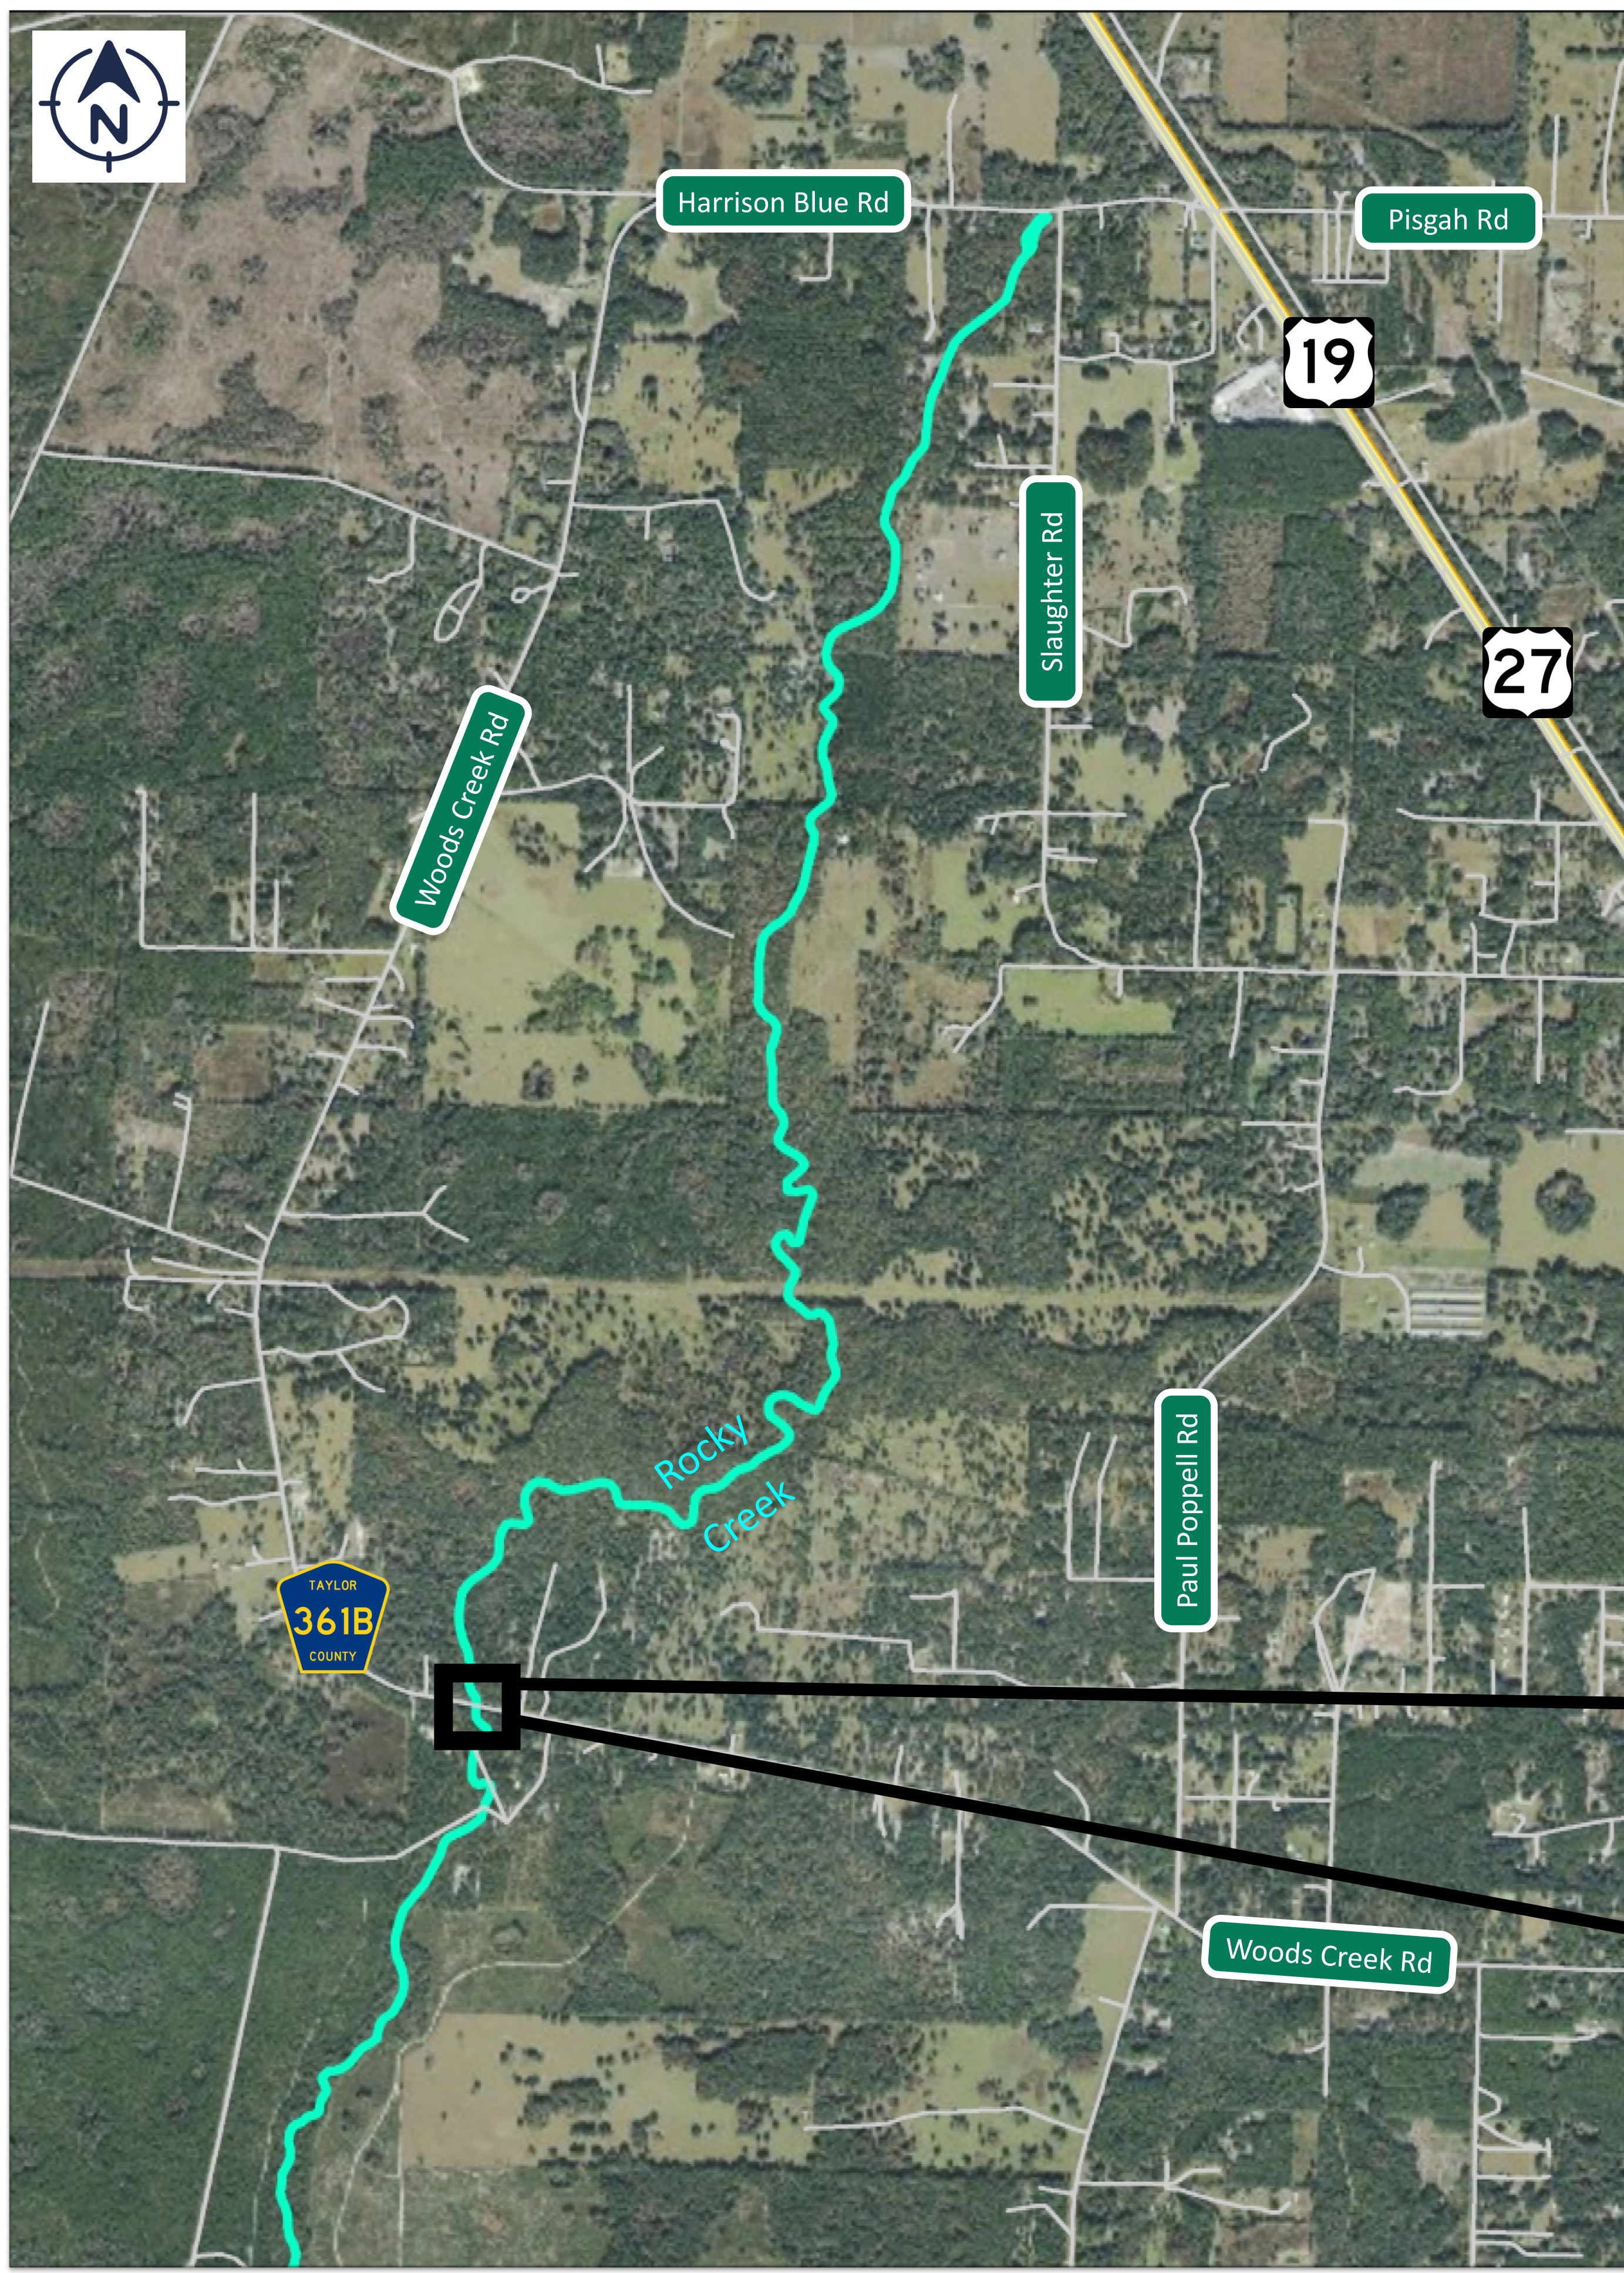

Welcome to the public meeting for the County Road 361B over Rocky Creek bridge replacement project (Financial Project ID: 439935-1). Also being discussed are the replacement of two bridges on County Road 361 over Spring Warrior Creek (Financial Project ID: 439937-1 & 439938-1).

PROJECT DESCRIPTION

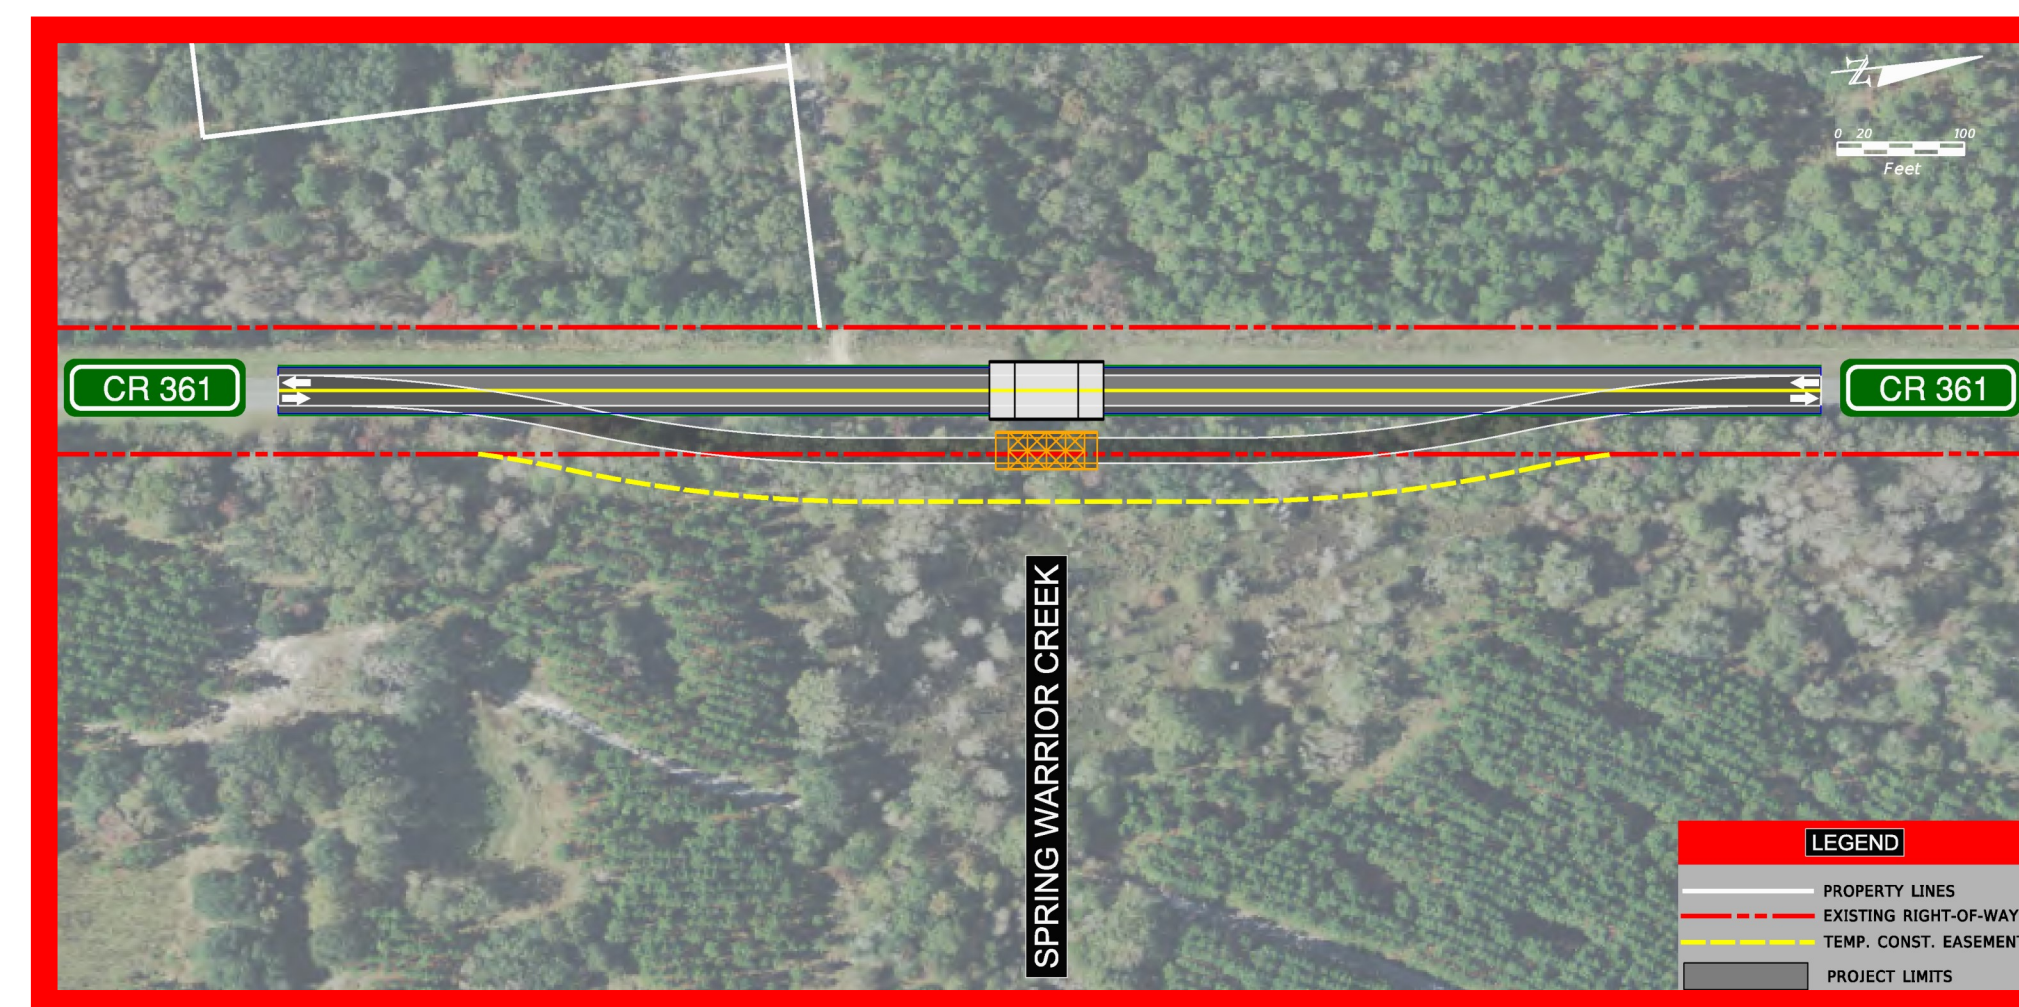

The Florida Department of Transportation (FDOT) is conducting a Project Development and Environment (PD&E) Study to replace the CR 361B bridge over Rocky Creek. Constructed in 1950, the bridge is reaching the end of its useful life. This study is proposing temporary detour routes during construction. In addition, PD&E studies are currently underway to replace the CR 361 bridges over Spring Warrior Creek (Bridge #380037 & #38005). Both bridges were constructed in 1940 and are reaching the end of their useful life. The study is recommending temporary bridges to maintain traffic during construction since there are no viable detour options.

WHAT IS A PD&E STUDY?

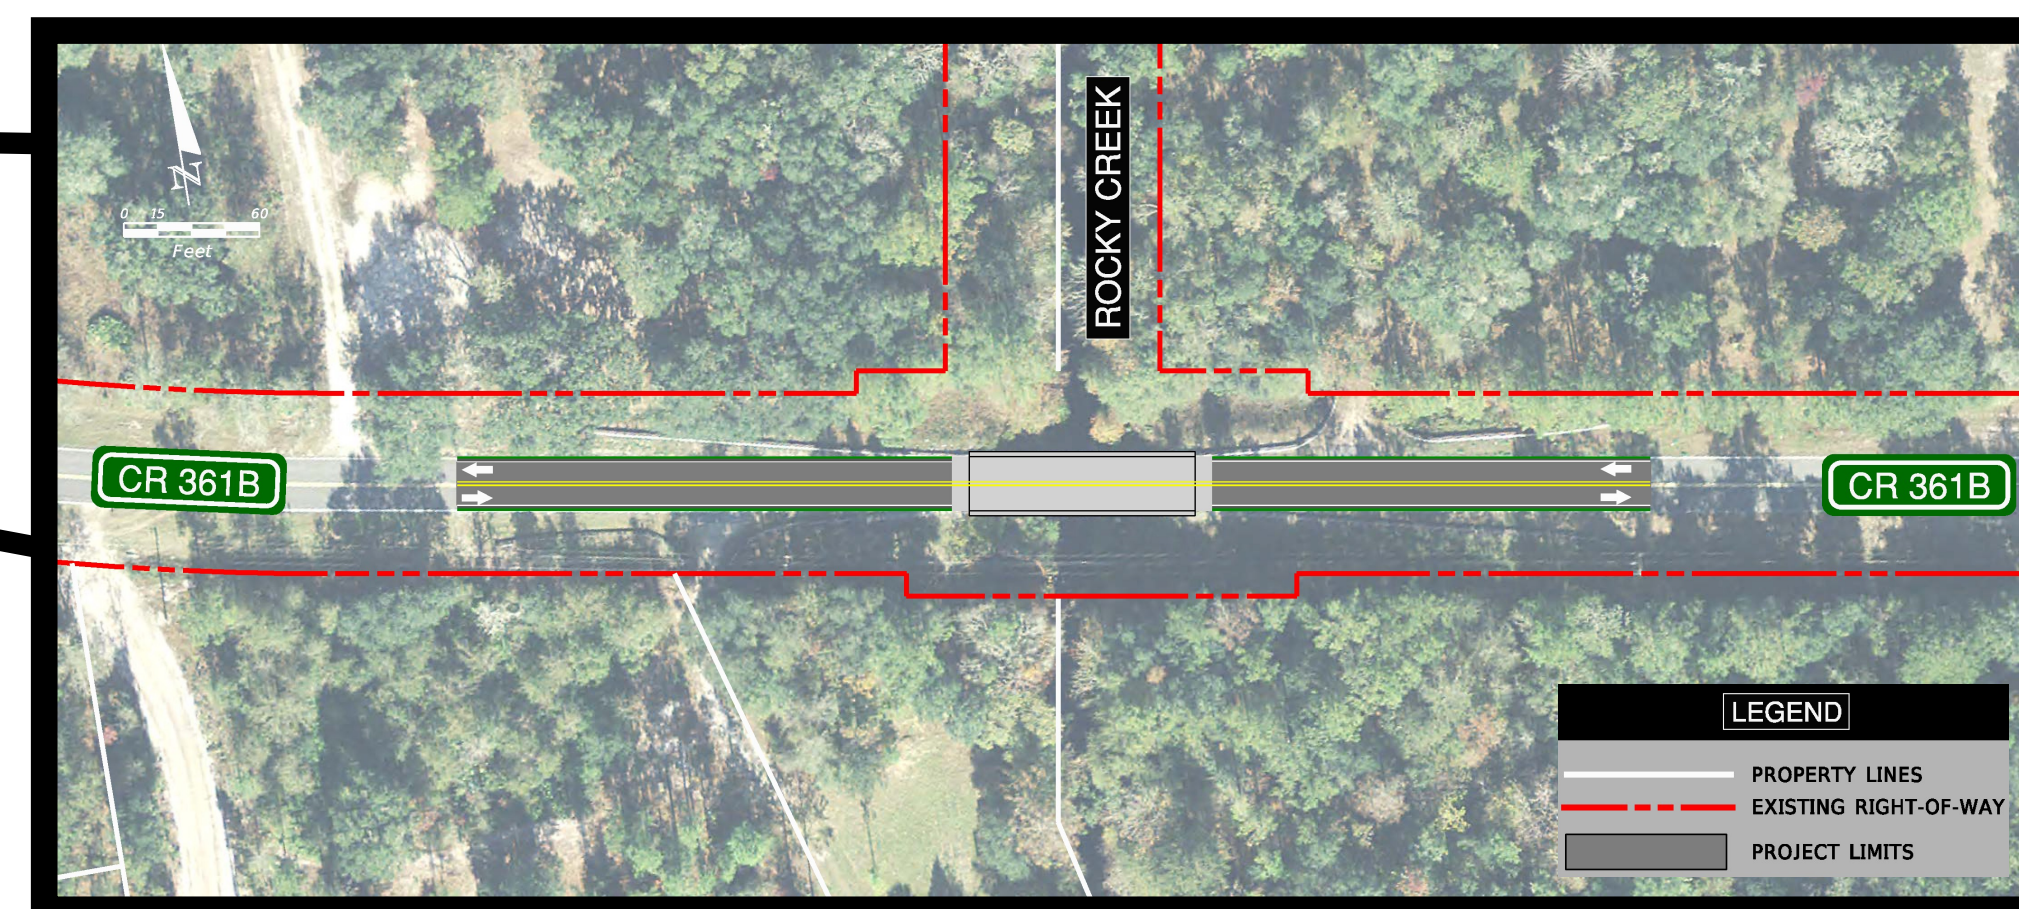

A PD&E Study is a process that helps the FDOT determine the location and design of a proposed roadway or bridge improvement. During the PD&E Study, design options are developed and evaluated based on the social, economic, and environmental effects of the improvements. Safety needs and public input are also evaluated. Once all the information has been gathered and analyzed, FDOT recommends a design option to move forward for construction.

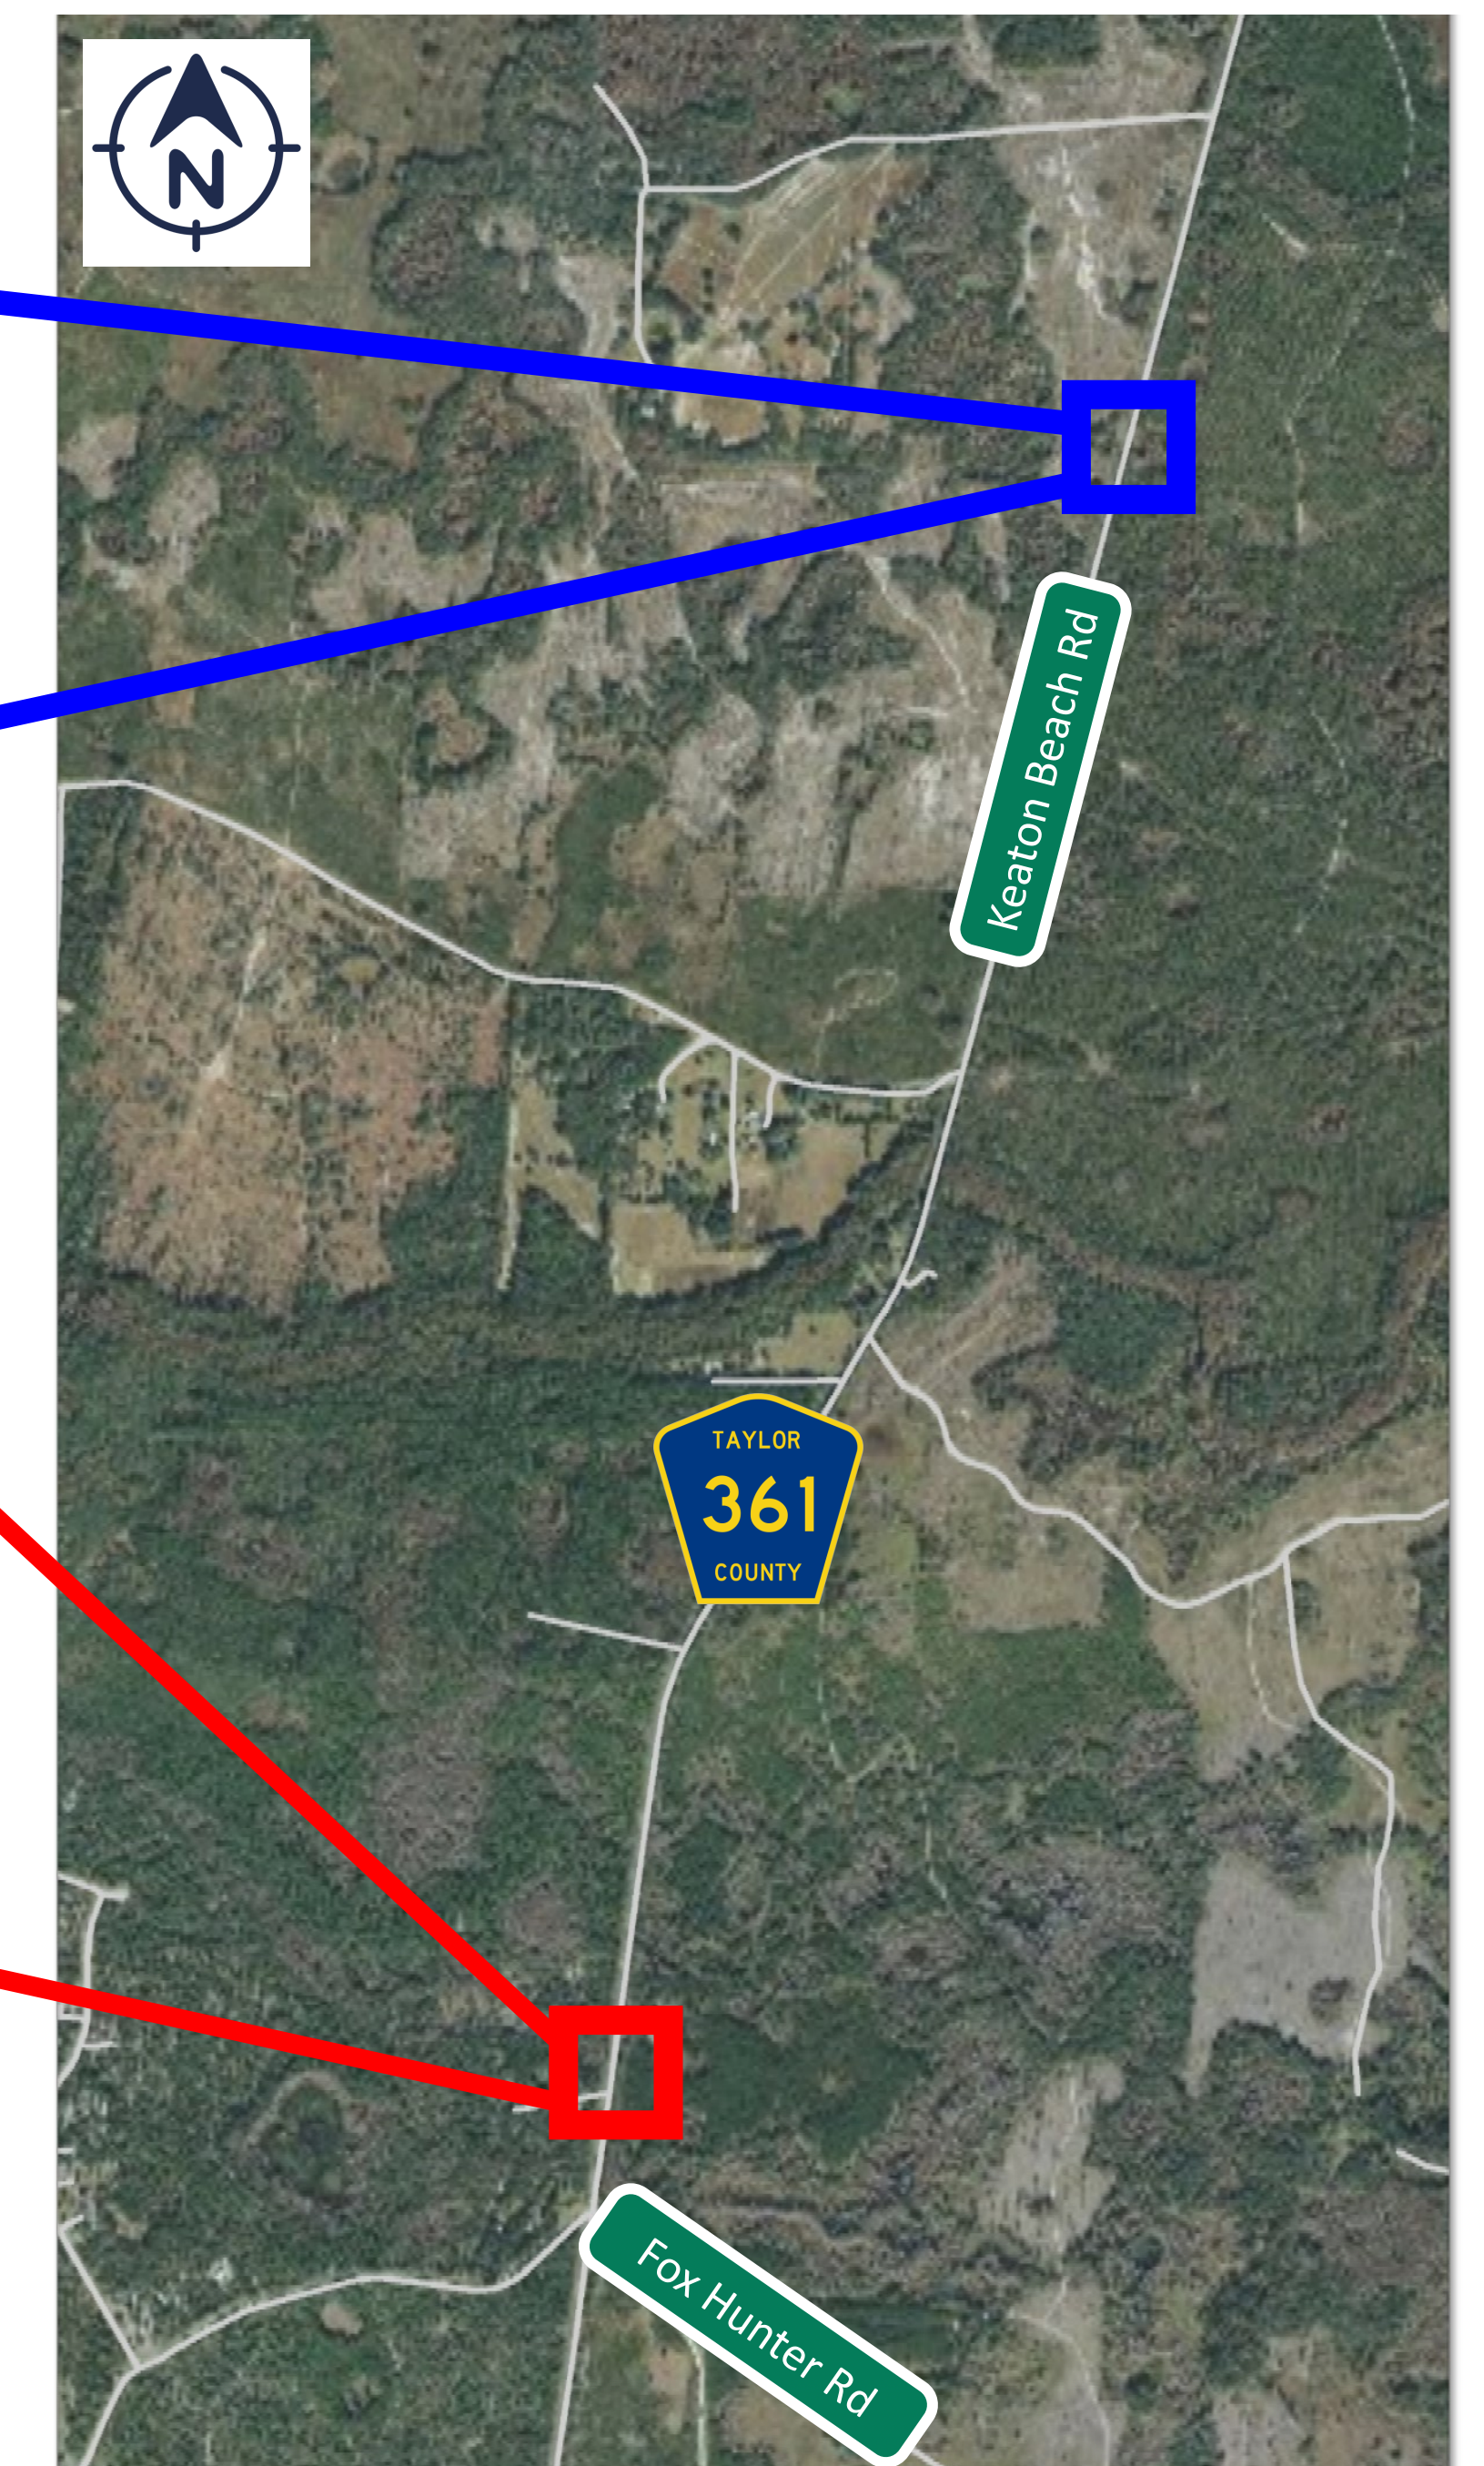

CR 361 Bridge over Spring Warrior Creek (Bridge No: 380037)
 Financial Project ID: 439937-1
 Construction Date: 2023, Construction Cost: \$3.5 Million

CR 361 Bridge over Spring Warrior Creek (Bridge No: 380035)
 Financial Project ID: 439938-1
 Construction Date: 2023, Construction Cost: \$3.3 Million

CR 361B Bridge over Rocky Creek (Bridge No: 380070)
 Financial Project ID: 439935-1
 Construction Date: 2023, Construction Cost: \$2.4 Million
