

ACCESS MANAGEMENT HEARING

U.S. 1/State Road 5, Median Modification FIN 439355-1

St. Augustine, St. Johns County, Florida

Project Overview

The purpose of this public hearing is to discuss the Department's proposal to close the median on U.S. 1/State Road 5 south of the north Northrop Grumman entrance to reduce conflicts and meet current median opening spacing standards. This modification includes removing the existing pavement within 500 feet of the north and 500 feet of the southbound left turn lanes and center median. New curb and sod will also be installed. The \$127,000 project is estimated to begin in December 2019 and be completed by early 2020, weather and schedule permitting.

Proposed median modifications

Project documents are available for review today and at www.nflroads.com. Persons wishing to submit written statements or other exhibits in place of or in addition to oral statements may do so during this hearing or by sending them to Nelson Bedenbaugh, 1109 S. Marion Avenue, Lake City FL 32025. All exhibits or statements postmarked on or before June 13, 2019 will become part of the public hearing record.

Public participation at this hearing is encouraged and solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

It is the Florida Department of Transportation's mission to provide a safe transportation system that ensures the mobility of people, goods, enhances economic prosperity and preserves the quality of our environment and communities.
