County Road 220 Detours Planned for August 7 through August 9

MIDDLEBURG, Fla. – As part of construction related to the First Coast Expressway (State Road 23), County Road 220 will be closed from noon Sunday, August 7 until 5 a.m. Monday, August 8 to allow for installation of drainage pipe and implementation of a lane shift that will move traffic onto temporary asphalt just north of the existing roadway to allow for utility work on the south side of the roadway. The same detour will be in place from 9 p.m. Monday, August 8 through 5 a.m. Tuesday, August 9 for installation of barrier wall. Traffic will be detoured to State Road 21 between CR 220 and Baxley Road (shown in the map below).

August means back to school! Kids walk, bike and wait for the school bus in the early morning hours. Motorists should always obey school speed zone limits and never drive distracted. Help keep our kids safe! Learn more about Florida's statewide initiative to reduce transportation-related crashes by visiting TargetZeroFL.com.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
