Detour of Arlington Expressway South Service Road Planned Next Week

JACKSONVILLE, Fla. – As part of a resurfacing project on Arlington Expressway (State Road 115) from Mathews Bridge to Southside Boulevard, a detour of the Arlington Expressway South Service Road is set to begin at 9 p.m. Sunday, May 19 and reopen by 5 p.m. Saturday, May 25 while crews perform reconstruction of the service road after installation of new drainage facilities. During the closure, traffic will be detoured as follows:

South Service Road Eastbound Detour:

Drivers will detour via eastbound Arlington Expressway, southbound Mill Creek Road, westbound Atlantic Boulevard, and northbound Arlington Road North to access the South Service Road.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
