I-10 East to I-295 Off-Ramps to Be Detoured Next Week *New off-ramp to be placed in service*

JACKSONVILLE, Fla. – As part of FDOT’s I-10 from I-295 to I-95 widening project, the I-10 east to I-295 off-ramps will be detoured Tuesday, May 31 and Wednesday, June 1 from 10 p.m. to 5 a.m. while crews switch traffic from the old ramp to the newly constructed ramp, weather and unforeseen circumstances permitting.

Drivers on I-10 east who wish to take the I-295 off-ramp will continue on I-10 east, take the Lane Avenue exit, turn left on Lane Avenue, turn left onto the I-10 west on-ramp and continue to I-295 (see map below.)

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

May is motorcycle and bicycle safety awareness month. Motorcyclists and bicyclists are vulnerable road users. Look twice before pulling into an intersection, changing lanes, or making a turn. Be a cautious driver and let’s get everyone home safely!

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.
