I-10 West Exit to Roosevelt Boulevard Overnight Detours Planned for Next Week

JACKSONVILLE, Fla. – As part of FDOT’s I-10 from I-295 to I-95 widening project, the I-10 west exit to Roosevelt Boulevard (U.S. 17) will be detoured Wednesday, June 29 and Thursday, June 30 from 10 p.m. to 5 a.m. while crews perform surveying activities, weather and unforeseen circumstances permitting.

Drivers who wish to take the Roosevelt Boulevard (U.S. 17) exit will be detoured to the McDuff Avenue exit and left on McDuff to reconnect with U.S. 17.

FDOT hired Superior Construction to complete this \$174.5 million project in early 2025, weather and unforeseen circumstances permitting.

Everyone knows summer in the south is hot! What motorists need to remember when traveling on Florida’s roadways is to stay cool behind the wheel. Do not drive aggressively, tailgate and prompt road rage. Remain patient and be courteous. Travel safely this summer!

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com.
