I-95 North Detours Planned for Next Week at the I-10/I-95 Interchange

JACKSONVILLE, Fla. – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, there will be multiple overnight detours of I-95 north from Tuesday, September 6 through Thursday, September 8 from 10:30 p.m. until 5:30 a.m. and Friday, September 9 from 10:30 p.m. until 6:30 a.m., weather and unforeseen circumstances permitting.

Drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10.

A crash can occur at any moment. Whether you are traveling one mile or one thousand miles, the driver of a motor vehicle and all passengers should always wear a seatbelt. Children ages 0 through 3 must be in a child restraint. Kids ages 4 through 5 must be in a separate carrier, integrated child seat or booster seat. Let’s get everyone home safe. #TargetZeroFL

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on Twitter, at MyFDOTNEFL on Facebook or by visiting nflroads.com.
