### **Lane and Ramp Closures on Eastbound I-10 between Chaffee Road and I-295 Scheduled June 3 to June 9**

**JACKSONVILLE, Fla.** – Drivers can expect nightly lane and ramp closures on eastbound I-10 from Chaffee Road to I-295 Monday, June 3 to Sunday, June 9 for milling and resurfacing. Nightly lane closures throughout the corridor are expected from 7 p.m. to 5 a.m. the following morning, weather and unforeseen circumstances permitting.

On Sunday, June 2, the I-10 eastbound ramp to Chaffee Road will be closed for resurfacing. To access Chaffee Road, drivers will continue east on I-10 to northbound Hammond Boulevard to U.S. 90 and go west to Chaffee Road.

On Monday, June 3, the Chaffee Road ramp to eastbound I-10 will be closed for resurfacing. To access I-10, drivers on Chaffee Road will go north to U.S. 90 and head east to southbound Hammond Boulevard to I-10.

On Thursday, June 6, the I-10 eastbound ramp to Hammond Boulevard will be closed for resurfacing. To access Hammond Boulevard, drivers will continue east on I-10 to Lane Avenue and take I-10 westbound back to Hammond Boulevard.

Anderson Columbia was awarded the \$26 million project to complete resurfacing on I-10 between Chaffee Road and I-295. This project is expected to be completed by mid-2025, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
