Median Modification Project on Atlantic Boulevard and Dunn Avenue Begins This Month

JACKSONVILLE, Fla. – Construction on a median modification project on Atlantic Boulevard from Anniston Road to Dibble Circle and Dunn Avenue from Biscayne Boulevard to Harts Road is scheduled to begin later this month.

De Moya Group Inc. was awarded the contract to complete the \$1.6 million project, which includes adding separators to both medians, milling and resurfacing, reconfiguring the left turn lanes, reconstructing the traffic separator on the east end of Atlantic Boulevard, and rebuilding the median island that separates Dunn Avenue and Leonid Road at Biscayne Boulevard. Completion is estimated by early 2025, weather and unforeseen circumstances permitting.

During construction, the public is encouraged to use caution in the area. Lane closures will not be allowed 6 a.m. to 10:30 p.m. Monday through Sunday.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at @MyFDOT_NEFL on X (formerly known as Twitter) or at MyFDOTNEFL on Facebook.
