New Traffic Pattern Scheduled to Begin May 24 on S. Holmes Boulevard at State Road 312 Extension

ST. AUGUSTINE, Fla. – A new, temporary traffic pattern on northbound S. Holmes Boulevard at the State Road 312 Extension is scheduled to begin Friday, May 24 at 6 a.m. in order to safely construct a new island at the intersection. Traffic on northbound S. Holmes Boulevard will be shifted to take a slight right then a left to continue northbound.

Motorists are encouraged to use caution in the area during this time as drivers get used to the new traffic pattern.

P & S Paving, Inc. is estimated to complete the \$12 million roadway improvements by summer 2024, weather and unforeseen circumstances permitting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
