Overnight Detours Planned Next Week at the State Road 207 Ramp to I-95 North

ST. AUGUSTINE, Fla. – As part of resurfacing improvements on I-95 from State Road 207 to International Golf Parkway, closures of the State Road 207 on-ramp to I-95 North are necessary for shoulder reconstruction work to be completed. The on-ramp will close nightly at 8 p.m. on Monday, May 20, Tuesday, May 21, and Wednesday, May 22, and reopen by 6 a.m. the following mornings.

During the closures, drivers on State Road 207 seeking to access I-95 North will use I-95 South and exit at State Road 206 to access I-95 North. Drivers are encouraged to use caution in the area and follow posted detour signs at this time.

Anderson Columbia Co. Inc. is estimated to complete the \$31 million resurfacing improvements by early 2025, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on X (formerly Twitter) or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
