Overnight Detours of I-295 North Ramp to U.S. 17 Planned Jan. 17-19

JACKSONVILLE, Fla. – As part of resurfacing work on I-295 from U.S. 17 to the Buckman Bridge, the ramp from I-295 North to U.S. 17 will close nightly Tuesday, Jan. 17 through Thursday, Jan. 19.

To allow crews to install temporary barrier wall, the ramp from I-295 North to U.S. 17 will close at 9 p.m. nightly and reopen by 6 a.m. the following day. Traffic will be detoured to Blanding Boulevard and back onto I-295 South to access U.S. 17.

The resurfacing project is being completed in tandem with the I-295 at U.S. 17 interchange improvement project. Superior Construction Company was selected to complete both projects for \$30.5 million, with construction estimated to finish in late 2024, weather and unforeseen circumstances permitting.
