### Overnight Detours of Sandridge Road Planned August 2-4

**CLAY COUNTY, Fla.** – Overnight closures of a segment of Sandridge Road near the future First Coast Expressway overpass are planned Monday, August 2 through Wednesday, August 4, weather and unforeseen circumstances permitting. The roadway will close nightly at 9 p.m. and reopen by 5 a.m. the following morning, allowing for placement of bridge beams for the First Coast Expressway. Access will remain available for residents and local traffic.

During the closure, motorists will be detoured via Henley Road and Russell Road as shown in the map below.

This 10.5-mile segment of the First Coast Expressway (State Road 23) is expected to be completed in spring 2025.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
