

**\*\*Traffic Advisory\*\***

**JACKSONVILLE, Fla.** – Due to a damaged gas line, the intersection of Beaver Street (U.S. 90) and Edgewood Avenue (State Road 111) is currently closed to traffic as crews work to close the line. Motorists are being redirected via Highway Avenue, Edgewood Avenue and Beaver Street. Drivers should expect delays in the area and use alternate routes if possible.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
