

Clet Harvey Road Bridge Over Turkey Creek

Financial Project ID: 436331-1

The FDOT is conducting a Project Development & Environment (PD&E) Study to replace the Clet Harvey Road Bridge over Turkey Creek in Baker County, Florida.

The proposed improvements recommend replacing the existing one lane timber bridge with a one lane concrete bridge.

The FDOT is evaluating a detour route to maintain traffic during construction.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the FDOT pursuant to 23 U.S.C. § 327 and a Memorandum of Understanding dated March 14, 2016 and executed by the Federal Highway Administration and FDOT.

Public Participation is sought without regard to race, color, sex, age, religion, national origin, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Aja Stoppe at the number provided at least 7 days before the meeting.
