

# ABOUT THE PROJECT

Adding a northbound and southbound auxiliary lane on Southside Boulevard between Butler Boulevard (SR 202) and Gate Parkway

Adding a third westbound to southbound left turn lane on Gate Parkway

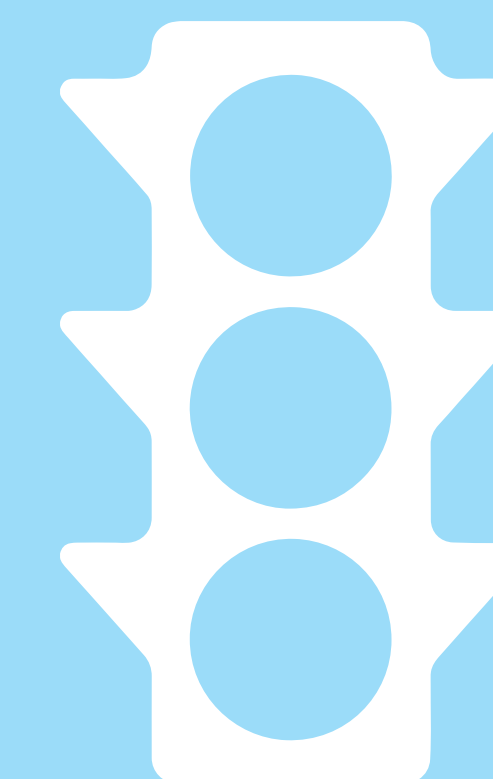

Rerouting southbound to eastbound left turns from Southside Boulevard to Gate Parkway to a new signalized intersection approximately 500 feet south of Gate Parkway

Rerouting all approaching traffic from Gate Parkway West to a new signalized intersection approximately 500 feet south of Gate Parkway

Adding a second northbound to eastbound right turn lane on Southside Boulevard

Adjusting the phasing and cycle length of the existing traffic signal at Southside Boulevard and Gate Parkway
