access code 308-222-397

The Florida Department of Transportation (FDOT) is hosting a public meeting to discuss the removal of on-street parking along eight miles of U.S. 1 from Ingham Road to the Georgia State line.

The parking spaces will be re-striped as buffered bike lanes as part of an upcoming resurfacing project scheduled to begin in summer 2023.

To provide citizens with an opportunity to share input on the proposed changes, FDOT will host a public meeting **Thursday, September 22, 2022**, at the Hilliard First Assembly of God at 550920 U.S. 1, Hilliard, FL 32046. The meeting is also available online at nflroads.com/VPH or by phone at **914-614-3221**, access code **308-222-397**.

An informal open house will be held from 4 to 6 p.m., during which attendees may ask questions and discuss the project with members of the project team.

Participants wishing to submit comments regarding the removal of on-street parking may do so at the meeting via a written comment, by emailing FDOT Project Manager Michael Blakley at michael.blakley@dot.state.fl.us or via mail (Attention Michael Blakley) at 1109 S. Marion Street, Lake City, FL 32025. Project documents are available to view at nflroads.com/VPH.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or who require translation services (free of charge) should contact Debbie Delgado at debbie.delgado@dot.state.fl.us or at (904) 831-FDOT (3368) at least seven days prior to the hearing.
