## Welcome

The Florida Department of Transportation (FDOT) welcomes you to the public meeting for the US 19 at SR 121 Lebanon Station Intersection Improvement Project. The proposed project will reconfigure the intersection to improve safety while providing free-flow traffic conditions on US 19. The purpose of this meeting is to inform the public of the project and to offer an opportunity for the public to provide feedback regarding the project.

## PROJECT LOCATION

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

The public meeting presentation and exhibits are available for download on:
