

**FIN 446808-2**

**WELCOME!**

During this open house, guests will have the opportunity to discuss the upcoming access management improvements on **Blanding Boulevard** (State Road 21) from south of **Wells Road** to the **Ortega River**.

# TITLE VI

## Civil Rights Act of 1964

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status.

# PROJECT OVERVIEW

**STARTING**  
**AUG. 2025\***

**Project type:** Access Management  
**Estimated Completion:** Fall 2026\*  
**Estimated cost:** \$8 million\*

\*Details subject to change

## BLANDING BOULEVARD SAFETY IMPROVEMENTS

- The project will close median openings in front of the properties to the west of Blanding Boulevard, south of the intersection. Northbound travelers seeking to access these properties will make a U-turn on Blanding Boulevard, slightly north of Wells Road at the newly constructed traffic signal, to make a right-hand turn into the properties.
- Southbound Blanding Boulevard travelers seeking to go east on Wells Road will enter the channelized intersection and continue to their destinations after exiting the displaced left turn lane.

## WELLS ROAD SAFETY IMPROVEMENTS

**Westbound Wells Road travelers seeking to go north on Blanding Boulevard will experience minimal changes.**

**Westbound Wells Road travelers seeking to go south on Blanding Boulevard will have two options:**

- Westbound Wells Road travelers to the west of the displaced left turn lane will access southbound Blanding Boulevard via U-turn at the newly constructed traffic signal.
- Westbound Wells Road travelers east of the displaced left turn lane will use the traffic signal at the intersection and continue south on Blanding Boulevard toward their destination.

**Westbound travelers on Wells Road seeking to continue west will turn north onto Blanding Boulevard, make a U-turn at the newly constructed traffic signal, then make a right-hand turn onto westbound Wells Road.**

**Eastbound Wells Road travelers seeking to continue east on Wells Road, north on Blanding Boulevard or south on Blanding Boulevard will experience minimal changes.**
